IMPACT

STRATEGY

2023-2026

Promise

We aspire to cure Crohn's disease and ulcerative colitis and to improve the quality of life of everyone affected by these diseases.

Values

Courageous

Inclusive

Authentic

Collaborative

Collective Impact Goal

Crohn's and Colitis Canada collaborates with others to improve the quality of life of people with Crohn's disease and ulcerative colitis.

We measure and report publicly on the quality of life of people with Crohn's and colitis to account for the part we play in this collective impact.

Our promise

We aspire to cure Crohn's disease and ulcerative colitis
and to improve the quality of life of everyone
affected by these diseases.
